

Image

```
graph LR; Image[Image] --> LayeredRepresentation[Layered Representation]; LayeredRepresentation --> FragmentTransforms[Fragment Transforms];
```

The diagram illustrates a process flow. A large light blue box labeled 'Image' contains a smaller blue box labeled 'Layered Representation' with an orange border. A black line connects the bottom of the 'Layered Representation' box to a green box labeled 'Fragment Transforms'. Another black line connects the right side of the 'Image' box to the 'Layered Representation' box, with an arrowhead pointing towards the 'Layered Representation' box.
