

The diagram features a complex network of green lines on a white background. These lines vary in thickness and curvature, some forming a branching structure at the bottom. Interspersed among the green lines are several red line segments, some of which are curved. A central dashed purple oval, with a horizontal orientation, contains the text "Local Context". The oval's boundary is composed of short, thick purple dashes. The text "Local Context" is written in a black, sans-serif font and is centered within the oval.

Local Context
